Harris Air Christmas Miracle Furnace Giveaway: Official Rules

No purchase necessary. Purchase does not increase your chances of winning.

Eligibility: Open to homeowners age 18 or older within Harris Air's qualifying service area. Entrant must own the residential property and furnace submitted. Commercial properties, rental tenants, Harris Air employees, and their immediate household members are not eligible. Limit one entry per property.

How to Enter: Submit the required entry form, furnace photo(s), and requested information by **December 20, 2026 5:00PM CST**. Do not remove furnace panels or enter unsafe areas to obtain photos. Entries containing false or misleading information may be disqualified.

Winner Selection: This is a judged contest, not a random drawing. Eligible entries will be evaluated by Harris Air based on:

- 35% Furnace Age
- 25% Replacement Need
- 40% Household story and the difference a replacement would make

Potential finalists may be required to allow Harris Air to perform an on-site inspection to verify the furnace, property ownership, condition, age, and installation eligibility before a winner is confirmed. If a finalist does not qualify, Harris Air may select another eligible entrant.

Grand Prize: One winner will receive a qualifying new furnace, valued at approximately **$5100**. Standard installation includes removal of the existing furnace and normal labor/materials required for a typical furnace replacement.

The prize does **not** include major duct modifications, electrical or gas upgrades, structural work, hazardous-material remediation, equipment relocation, major code corrections, or other work outside a standard furnace replacement. Any excluded work will be disclosed before the winner is confirmed. **No additional purchase is required to win.**

The winner may choose to apply the stated value of the prize toward an upgraded furnace or complete HVAC system replacement and pay the difference. The prize is nontransferable, has no cash value, and cannot be combined with other offers. Winner is responsible for applicable taxes.

Verification & Award: The submitted furnace must remain installed and available for verification. Potential winner must respond to Harris Air within 48 hours of notification and complete any required eligibility or tax documentation.

Entry Content: By entering, entrant confirms they have the right to submit all photos and information provided and permits Harris Air to use submitted furnace photos and entry descriptions for purposes related to promoting and administering the contest.

Contest Period: Entries accepted **11/12/2026 8AM CST through 12/20/2026 5:00PM CST**. Winner expected to be announced on or around **December 22, 2026**, following eligibility and installation verification.
